

Perry Street Child Care Centre & Elizabeth Gorman Memorial Kindergarten Strategic Plan Overview 2025 – 2029

Purpose

To provide a progressive community owned service of excellence in early childhood education and care

Strategic Priorities

The Committee and Educational Leaders, with support from educators, families and the broader community, work collaboratively to deliver on actions across each of the five strategic priorities.

1. Excellence in education and care for children

Exceptional educational programs and services are designed and delivered, which are child-centered, and underpinned by best practice and our shared philosophy.

2. Commitment to a safe and inclusive space for all children

A safe, nurturing and inclusive environment is provided to cater for individual children's interests, preferences, abilities and learning style. Diversity is valued and equity is promoted.

3. Strong leadership and educators who are passionate about learning

Staff are valued and enabled to provide exceptional education and care, and build strong connections with children and the broader community.

4. A vibrant, progressive and sustainable community-owned centre

The Centre is effectively governed to deliver an exceptional service and maintain the centre's viability over the long term.

5. Connection to nature, and Caring for Country

Children's connection to nature and understanding of Aboriginal and Torres Strait Islander cultures is fostered. Sustainable practices and cultural connections are embedded in everyday learning experiences.

Outcomes

Further detail is available in the full strategic plan, which was endorsed by the committee in February 2025.
